	JSC (VND 36 billion)				
6	To supplement the Company's working capital (*)	0	0	0	22.000.000.000
Total		120.000.000.000	98.000.000.000	22.000.000.000	120.000.000.000

(*) Details of the items allocated to supplement the Company's working capital are as follows:

No	Item	Amount (VND)
1	Deposit Payment for Airline Tickets	8.460.000.000
2	Payment of deposits and accommodation expenses for hotels and resorts	9.100.000.000
3	Deposits and prepayments for land tour services	4.440.000.000
Total		22.000.000.000

Reason for adjustment:

The Board of Directors assesses that the investment in RGM Medical Technology Company at the present time would not immediately generate high efficiency and is not fully aligned with VTD's short-term capital utilization needs. Therefore, the Company has decided to adjust the plan for the use of proceeds. The reallocation of funds to supplement working capital will enable the Company to proactively place deposits and prepayments for services such as airline tickets, hotels, resorts, catering services and land tours, thereby ensuring the availability of service supply to meet the travel demand during the peak summer season of 2026.

5. Basis for change:

Board of Directors Resolution No: 03/2026/NQ-HDQT dated March 17, 2026.

6. The amended plan is published at:

The Company's website, the State Securities Commission's information portal (IDS), and the Hanoi Stock Exchange's information portal (HNX).
